by Mr. Wim Stubbe, Project Leader of DUAL Ports, Port of Oostende
- Moderated by: Partner Mr. Jens Henrik Møller, GEMBA Seafood Consulting

What is DUAL Ports?

DUAL Ports (Developing Low carbon Utilities, Abilities and potential of regional entrepreneurial Ports) is a €5,2m project, 50% co-financed by the European Regional Development Funds of the European Union under the Interreg VB North Sea Region Programme; Eco-innovation priority.

DUAL Ports aims to decarbonise Regional Entrepreneurial Ports (REPs) resources through a shared eco-innovation port programme that minimises their environmental footprint. The objective is to specifically develop sustainable utilities and abilities of REPs. This will be achieved by collaboratively piloting and managing technologies and processes that tackle targeted measurable direct/indirect emission AND pollution sources. The project will ultimately enhance ports organizational/operational (energy) efficiency and performance, facilitating port low carbonization at reduced cost and with knowledge/investment added value.

Partners in DUAL Ports:

- Port of Oostende
- Port of Vordingborg
- Gemeente Meppel (Ports of Meppel, Zwolle and Kampen)
- Niedersachsen Ports GmbH & Co. KG - Niederlassung Emden (Port of Emden)
- Municipality of Guldborgsund/Ports of Guldborgsund
- Business Vordingborg
- HWWI - Hamburgisches WeltWirtschaftsinstitut
- FWT - Fair Winds Trust
- ITM-Power
- Orkney Islands Council, Marine Services/ Port of Kirkwall

- Sessions:** During five 10 minute sessions, the pilots in DUAL Port will be presented by the pilot leader with Q&A. Followed by speakers on innovation and business development.
- Refreshments:** The Kick-off meeting will be closed with refreshments and sandwiches.

How to get from Copenhagen Airport to Hotel Frederiksminde

Hotel address: Klosterbakken 8, 4720 Præstø, Denmark

Website: www.frederiksminde.com/en/home

By car: Approximate travel time: 1 hour and 10 minutes.

By public transportation: The train station is located beneath Terminal 3.

Get on any train departing from platform 2, bound for Helsingør, Nivå or København H (Copenhagen Central Station). Trains run every 10 minutes during the day. At Copenhagen Central Station change to a train bound for Nykøbing Falster, Rødby Færge or Hamburg. These trains will most often depart from platforms 7 and 8. Trains will depart twice every hour at 10 minutes past the hour and at 37 minutes past the hour, respectively.

- For trains departing at 10 minutes past the hour: Get off the train at Lundby Station and get on Bus 669 bound for Stege (runs every hour). Get off the bus at Præstø Station and walk to the hotel (app. 750 meters).
- For trains departing at 37 minutes past the hour: Get off the train at Næstved Station and get on Bus 620R bound for Præstø (runs every 30 minutes). Get off the bus at Præstø Station and walk to the hotel (app. 750 meters).

Approximate travel time: 2 hours and 25 minutes.
